2. Independently follows directions and engages in group activities.
3. Demonstrates the ability to follow group agreements.

5. Will arrive on time (Friday April 27) and will stay throughout the scheduled event (closing Sunday April 29) I understand that I am responsible for my child's transportation to and from the event.

****I understand that my child must be able to transition easily between activities, contribute to discussions, participate in group activities, and be independent in care, as the SW Region does not have 1:1 staff, special needs training or psychological personnel available. If teen is taking medication that interferes with participation in scheduled activities, or has recently had significant life events, I understand that this retreat may not be a good match at this time, and I will discuss this issue with my youth director and regional consultant before moving forward with registration.**
